

April 23, Psalms 52, I will give thanks to your name because you have done it

Morning prayer: vs 1-4

Lord silence all whisperings and schemes of the enemy through your loving kindness that endures forever. Open our hearts to know the height and the depth of your love and purpose on our life - so we will not doubt when our Doeg the Edomite tries to scheme against us today. Just as David was anointed by your Holy Spirit to be king in Israel, we are anointed to co-Rulers with you for all eternity... So the purposes of the enemy will not succeed to diminish the anointing that is on our life. May the anointing of your Holy Spirit bring your kingdom here on earth, as it is in heaven today. All those who love evil more than good will be put to silence. They have no reason to boast because your loving

kindness endures forever - so also, then will we endure for every purpose for good... Not losing the heart by the lies of the enemy.

Afternoon prayer: vs 5-7

Lord, I want to take you serious this afternoon and laugh at the man who doesn't make you his refuge. There are so many around us who are trusting in their riches, and making themselves strong in an evil desire. They use their success with money to justify evil purposes. This is something we sometimes find our self doing also... yet you correct us, and we respond. But they don't want to receive any correction. You will snatch them up and uproot them from the land of the living. Don't allow their strength in evil to be something that I take too serious (or

emulate) this afternoon. Because greater is He that is in us than he that is in the world.

Evening prayer: vs 8-9

Lord, we want to be filled with your Holy Spirit like a green olive tree, abiding in your presence - overflowing to those you've put in our path today. As we go to sleep tonight, we are going to bind our self together with you - in presence of your godly ones... We pray for by name those you called us to minister with. Thank you for surrounding us with godly people who also trust you. If there's someone listening to this prayer, it does not have a person like that in their life... Provide it for them - in Jesus name amen.

We are going to pray, in such a way, as if you have already done it! We do not doubt that you have rescued us from the plots of

the enemies that surround us, and have planted us like a green olive tree in your house.
