

February 9th, Psalms 19 vs 1 - 6, Declare God today like the sky above you

“1 The heavens declare the glory of God, and the sky above proclaims his handiwork.”

Lord, am I taking time to listen to the Speech of creation today? Show me how to slow down today hear the voice of creation all around me.

Lord, I want to glorify you today like the heavens do.

“2 Day to day pours out speech, and night to night reveals knowledge.”

3 There is no speech, nor are there words, whose voice is not heard.

4 Their voice goes out through all the earth, and their words to the end of the world.

In them he has set a tent for the sun,”

Lord do I see you pouring out the eternal knowledge of you self to all creation every day?

How should this effect the way I think about God's ability to communicate with each person everywhere?

“19 For what can be known about God is plain to them, because God has shown it to them. 20 For his invisible attributes, namely, his eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse.” - Rom 1:19-20

5 which comes out like a bridegroom leaving his chamber, and, like a strong man, runs its course with joy.

6 Its rising is from the end of the heavens,

and its circuit to the end of them,
and there is nothing hidden from its heat.

Thank you, Lord that you were the One
who is given us warmth today through the
sun and that, from beginning to end, your
presence has been with us.
