

March 18, Psalms 37 vs 1-6, Delighting in you is the desire of our heart!

Morning prayer:

Oh, Lord show us that our citizenship is in heaven, and this is why we must not fret over the evil doers that surround us in this world. Free us from the sin of giving too much power to evil by fretting over it. We choose to not make provision for our fleshly nature, by filling our minds with media, and news to the point of access.

Afternoon prayer:

Oh, Lord, we realize that our greatest desire is to delight in you above all else... So as we step forward and make the choices to delight in you through prayer, scripture and fellowship - we know that we will be given this desires of our hearts. You have given us, your Son that makes such a delight possible by the Holy Spirit, abiding in us... And through Him you will freely give us all others things in their proper order and priority.

Evening prayer:

Lord we purpose to follow in the footsteps of our father Abraham, who committed Isaac to you, and trusted in your power to raise him from the dead. Through his act of righteous trust in you - his righteousness (really yours) now shines in us.
